|                                |                          |
|--------------------------------|--------------------------|
| Arts                           | J. T. Wilson, Chairman   |
|                                | J. B. Conacher           |
|                                | A. Brady                 |
|                                | H. J. C. Ireton          |
| University College             | W. J. McCurdy, Secretary |
| Victoria College               | J. A. Irving             |
| St. Michael's College          | Rev. J. M. Kelly         |
| Trinity College                | Gordon Roper             |
| Medicine and Hygiene           | G. C. Butler             |
|                                | F. O. Wishart            |
| Dentistry, P.H.E. and Nursing  | Miss Z. Slack            |
| Applied Science, Forestry, and | L. S. Lauchland          |
| Architecture                   | W. G. Raymore            |
| O.C.E. and Library School      | Miss Bertha Bassam       |
| H.Sc., Law, Music, Social Work | John Morgan              |
| and Child Study                |                          |

Dr. C. H. Best has been elected to Honorary Life Membership in the New York Academy of Sciences. This class of membership is limited to one hundred persons and is conferred as a recognition of eminence in scientific achievement.

Dr. H. J. Shields and Dr. R. A. Gordon have been presented with diplomas of Honorary Membership in the Cuban Society of Anaesthesiology. This announcement was made by Dean MacFarlane at a recent meeting of the Council of the Faculty of Medicine.

Professor J. M. S. Careless addressed the Angela Bruce Chapter of the I.O.D.E. in Oakville on December 5 on the subject, "The British North America Act—True or False?"

Professor D. G. Creighton gave a talk on Sir John Macdonald over the CBC on November 29.

Professor Edgar McInnis spoke on "Nationalism in the Far East" on November 28, in Niagara Falls, in one of a series on "The Price of Peace" sponsored by the Greater Niagara Chamber of Commerce.

Professor B. Wilkinson spoke before the Toronto Rotary Club on "The Historian and the United Nations" on November 24.

Professor J. H. Parker has been asked to prepare (with Professor Arnold G. Reichenberger of the University of Pennsylvania) a semi-annual "Current Bibliography of Foreign Publications dealing with the Spanish *Comedia*," as supplement of the *Bulletin of the Comediantes* (published at the University of Wisconsin). The first issue, which appeared in November, 1950, contained some 150 items.

Dr. F. M. Heichelheim spoke on "Mind and Spade in Biblical History" at the December 22 meeting of the Jewish Historical Society.

Dr. W. Stewart Wallace attended a dinner held in Washington, D.C. on December 11 in celebration of the 150th anniversary of the Library of Congress.

Dr. O. B. Richardson lectured at the University of Buffalo Medical School on "Pathological Interpretation of Fundus Lesions" on December 7.

Dr. H. K. Box will address the International Association for Dental Research on January 12, at 4.15 p.m. Room 408D, Dental Building, on the subject, "The Formation and Disintegration of Dental Calculus." Dr. R. M. Grainger will speak on January 26, on "Statistical Methods Applied to Dental Caries Research."

Extramural lectures will be given during January by Dr. F. L. Cole before the Kent County Dental Society at Chatham, by Dr. R. E. Moyers before the Kingston and District Dental Society at Kingston, and by Dr. J. E. Moser before the Brant County Dental Society at Brantford.

Extra-provincial lectures will be given in January by Dr. C. H. M. Williams before the North Suburban Branch of the Chicago Dental Society at Evanston, Ill., and by Dr. Stewart A. MacGregor before the Detroit District Dental Society at Detroit.

Professor John Satterly gave an illustrated talk on "Liquid Air" to the members of the Eastern Association of College and University Business Officers at the Royal York Hotel on December 3.

Dr. W. E. Blatz was guest speaker at the Peel County Health Unit at Brampton on December 7.

Godfrey Ridout's "Etudes for String Orchestra" will be heard on February 6 in the Toronto Symphony Orchestra's Secondary School series.

Dr. R. R. McLaughlin attended a meeting of the Fundamental Research Committee of the Canadian Pulp and Paper Association in Montreal on December 11.

Professor G. A. Elliott represented the University at the installation of Dr. A. Stewart as President of the University of Alberta on October 28.

*A check list of Canadian imprints 1900-1925*, compiled by Miss Dorothea Tod and Miss Audrey Cordingley of the University Library staff, has been issued as the first publication of the Canadian Bibliographic Centre.

Miss R. J. Northcott recently spoke to the Windsor Centre of the Royal Astronomical Society of Canada on "The Motions of the Stars."

## Faculty and Department Notes

Following the Faculty of Dentistry Council meeting on January 8, Dean Ellis will show colored motion pictures taken during his visit to Australia and New Zealand last summer, in Room 101, Dental Building, at 8.30 p.m. All staff members will be welcome.

Professor C. Barnes conducted a seminar on "Viscosity of Liquid He II" in the Department of Physics on November 23.

In the Department of Astronomy, the following seminars have been held recently: "Report of Work at Yerkes Observatory," by W. Bidelman, University of Chicago; "Recent Australian Work in Radio Astronomy" by J. G. Bolton, Sydney; "Report of Chandrasekhar's Work on Interstellar Absorption," by R. E. Williamson; "Forbidden Transitions of Diatomic Molecules," by Gerhard Herzberg, National Research Laboratory, Ottawa. The Observatory received a visit recently from Dr. R. v. d. R. Wolley, His Majesty's Commonwealth Astronomer, Canberra, Australia.

## Appointments

G. Dean Maxwell has been appointed assistant superintendent in charge of construction, succeeding J. E. Thom, who has resigned.

## The University of Toronto Library

New titles added to the library (by subscription) since November 15, 1950:
